

About us

Work Well Enterprises is dealing in waste water treatment components since 2004. We have mastered the art of manufacturing Vayuwell Tubular Fine Bubble Diffusers be it silicone or EPDM. We can provide 63 mm dia diffusers in any length, support pipe or slitting pattern be it High Efficiency Diffusers (HED) or High Capacity Diffusers (HCD). Even for circular aeration tanks customised diffuser lengths for uniform aeration can be made.

Work Well Enterprises is committed to ensure quality products and excellent services.
